

Solitaire

ON CECIL

A Timeless Jewel
for a Lasting Legacy

The Visionaries

“A modern product designed to meet the needs of businesses competing for the best talent, Solitaire on Cecil is our vision for world-class, institutional-grade workspaces where occupants can collaborate, innovate, learn and socialise in a secure, technology-enabled and sustainable environment. Located within the CBD cityscape, it is an ode to the city’s many facets.”

Emilia Teo

Managing Director, TE Capital Partners

“Solitaire on Cecil is a welcome addition to our portfolio – an innovative and modern freehold building with premium specifications. Aiming to achieve the top-tier BCA Green Mark Platinum certification, the new development is designed to minimise adverse environmental and social impacts while maximising investment performance.”

Marc Montanus

Senior Managing Director, Fund Management,
LaSalle Investment Management

A Future Icon on Cecil Street

Solitaire on Cecil is a rare premium freehold Grade A commercial development in the heart of the vibrant Singapore CBD. Strategically located on 148 Cecil Street, the development is adjacent to a vibrant Telok Ayer and Amoy heritage precinct, where beautifully decorated shophouses weave modern work culture, rich history and social life together. Today, the area is a well-established commercial district comprising office buildings, a myriad of restaurants, retail offerings and top tier hotels.

The area is poised for further rejuvenation with the introduction of the CBD Incentive scheme by Urban Redevelopment Authority. Given its strategic location at the nexus between Raffles Place and Shenton Way, as well as abundant F&B offerings in nearby Telok Ayer Street, Amoy Street, Club Street and Chinatown, Solitaire on Cecil is set to redefine the urban city skyline as the iconic gem of the CBD.

Singapore, the gateway to Asia and the world

Asia boasts a wealth of emerging and established markets, including some of the fastest growing economies in the world. Accorded Asia's top financial hub, Singapore's prime location in the heart of Southeast Asia gives businesses access to major Asian markets and the lion's share of growth opportunities.

Singapore is also recognised as a technology hub where the world's finest technological companies have established their regional headquarters. The stable regulatory environment, attractive tax rates, and transparent market create fertile ground for foreign and local investments.

A vibrant city with an excellent education system, Singapore's highly skilled workforce is yet another reason that the city is a prime choice for multinational corporations and businesses that consider Asia as a key driver for growth.

Unmatched Brilliance

Adorned with a multi-faceted glass facade, the building embodies the lively brilliance of the Blue Diamond.

Three different colours of double-glazed glass are used to create a responsive and biomimetic exterior that exudes elegance while improving thermal efficiency.

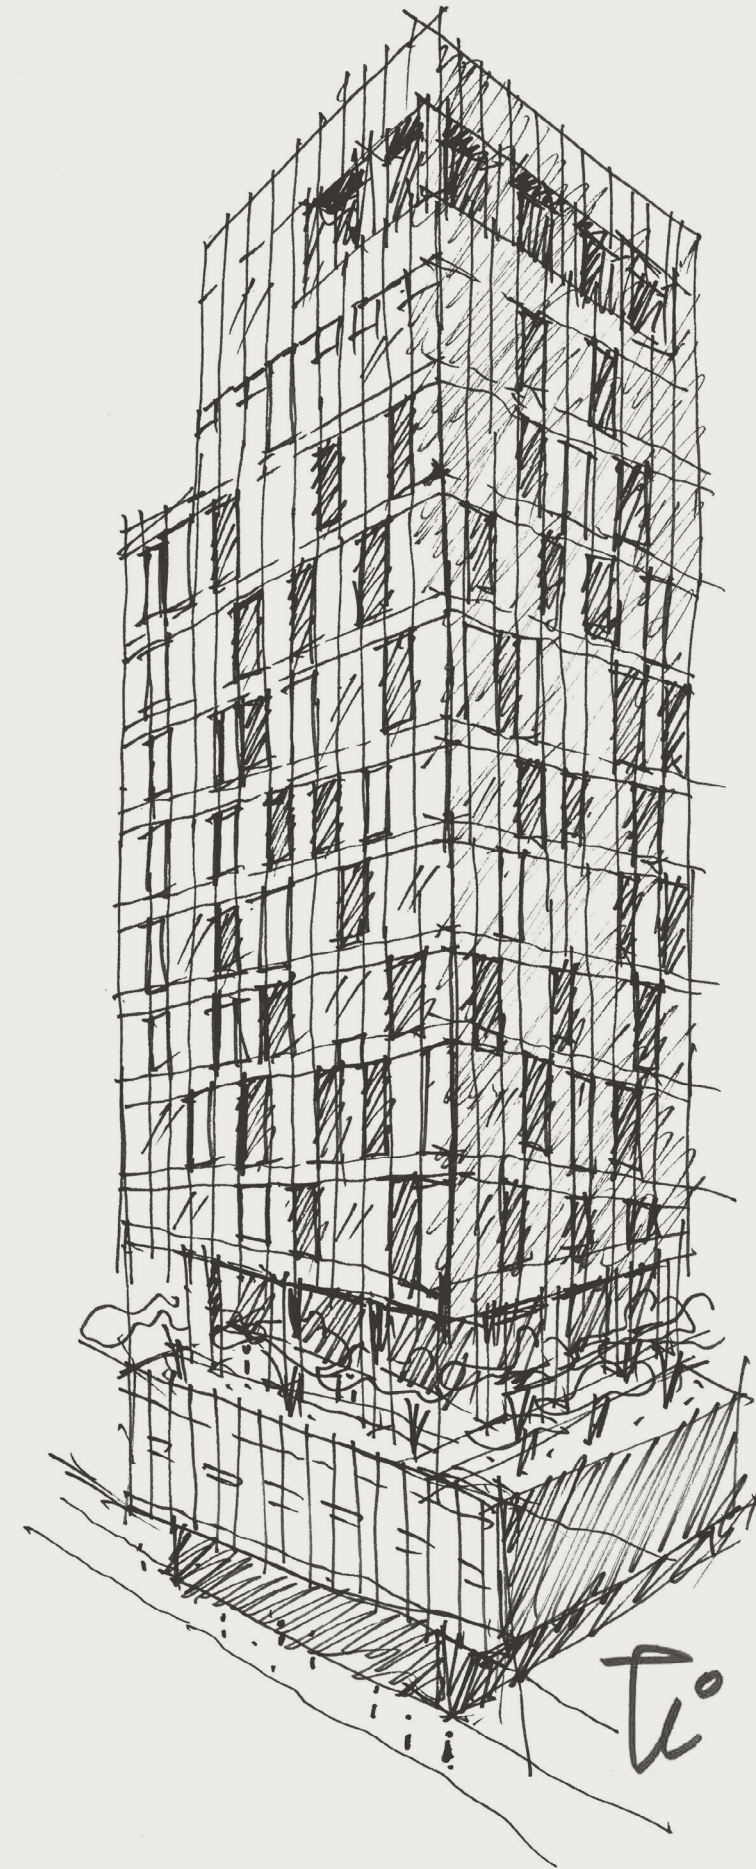

An insignia of commitment and a symbol of strength, the blue diamond represents the endlessly enduring form of nature, peace and eternity and is made to last from one generation to the next.

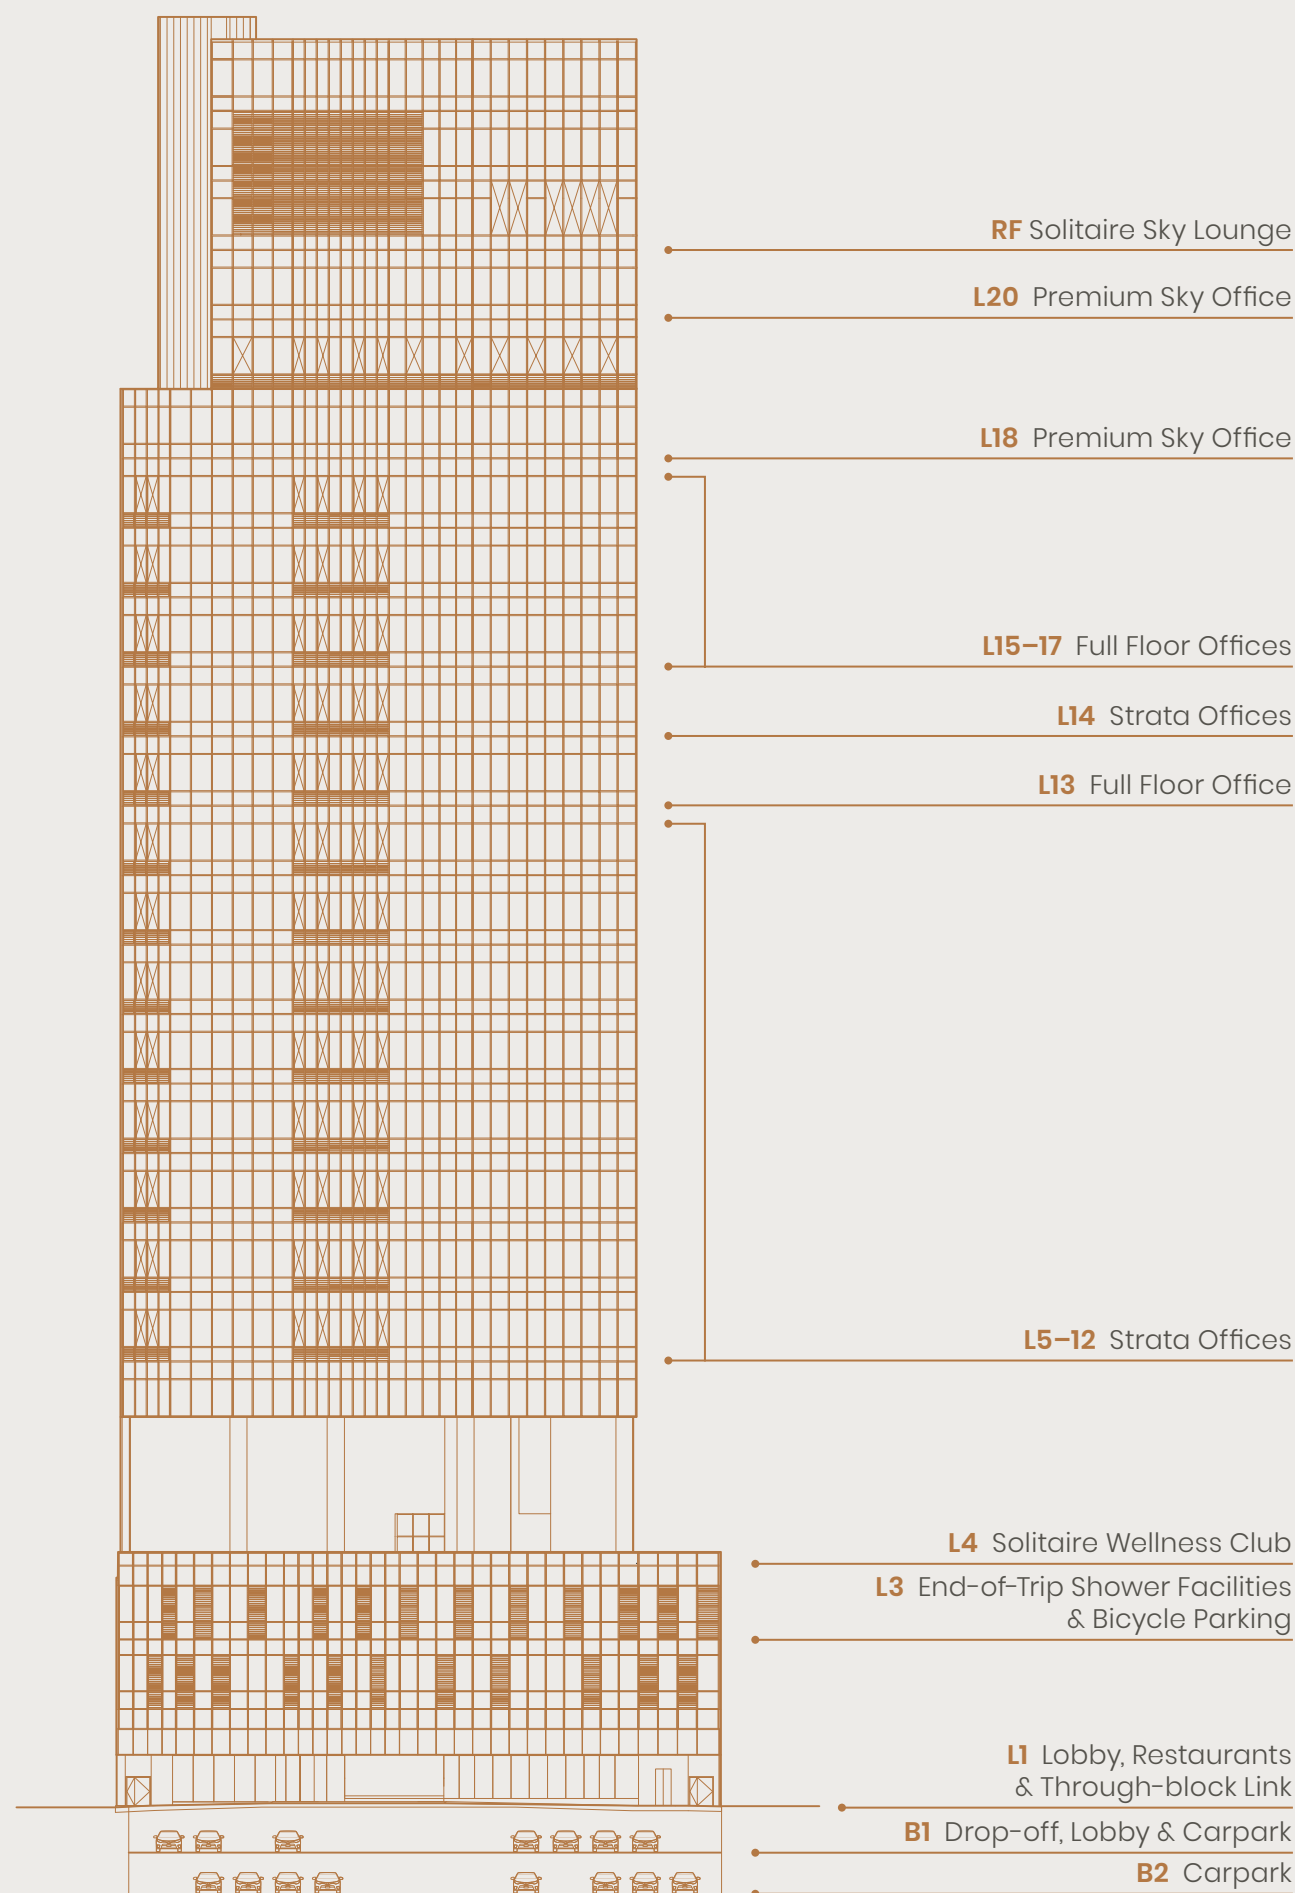

Artist's impression

“A distinctive and unique office building inspired by the “Blue Diamond” design concept, with the use of varying tones of blue glass and reflectivity to create a spectrum of texture and pattern.”

Ti Lian Seng
Director, DP Architects

A Notch Above The Rest

148 Cecil Street

The freehold 20-storey development offers approx. 190,000 sqft of office spaces, seamlessly integrated with an abundance of sustainable features and wellness facilities. Forward-thinking and built to last, Solitaire on Cecil is designed to exceed the expectations of the discerning few.

Multi-faceted Amenities

Solitaire on Cecil thrives on the duality of business and leisure, day and night. Thoughtful design elements and a full suite of quality amenities demonstrates a commitment to overall well-being. The development features premium amenities from bicycle lots and gym facilities for an active lifestyle to restaurants and open green spaces for leisure and relaxation.

L4 Solitaire Wellness Club

The development features a plethora of wellness amenities that nourishes the body, mind and soul. From exclusive work pods, chill out lawns, entertainment square for movie screenings to the fitness and parkour gym amidst lush greenery, the Solitaire Wellness Club offers all you need for a balanced lifestyle and your overall well-being.

L1 Through-Block Link

Fully-covered walkway connects businesses on Cecil Street to a myriad of leisure and F&B offerings on Stanley Street.

Roof Level Solitaire Sky Lounge

Alternative spaces for work and dining with unobstructed views of Singapore's iconic cityscape.

L3 End-of-Trip Facilities

Championing a sustainable lifestyle through provisions for bicycle parking, storage lockers, showers and changing rooms.

Cecil Street

L1 Grand Welcome Lobby

The alluring grand arrival lobby with the touchless sensors and destination-controlled lifts allow easy connections to the office levels. A dedicated concierge provides a warm touch to tenants and visitors.

B2 Carpark

L1 Cafe & Restaurants

Thoughtfully designed to offer convenience for the busy individual and as alternative social and meeting venues within the development.

B1 Drop-Off & Arrival Lobby

Come rain or shine, always arrive in unrivalled comfort with the sheltered drop-off in the basement.

Sustainable Pathways

Designed to achieve Green Mark Platinum Certification, Solitaire on Cecil is committed to providing the highest quality work environment while extensively promoting sustainable design features throughout the development's infrastructure.

BCA Green Mark Platinum Certification

Energy-Efficient Design

Dedicated power meter for ACMV equipment

Adoption of 100 solar panels for renewable energy

Real-time monitoring and management of energy and water consumption

Efficient cooling tower & chiller plant system

Adoption of *WELS excellent rated fittings

Sustainable Built Environment

End-of-trip facilities to reduce carbon footprint

EV car charging lots

High performance 3-colour double glazed units glass facade

100% landscape replacement with vertical greenery to reduce urban heat island effect

Green label & low carbon products reduce environmental impact

Quality Indoor Environment

Low ^VOC paints for improved air quality

Touchless access control & UV air purifiers for lifts

Adoption of #MERV filters & air purging system to optimise indoor air quality

UV germicidal irradiation system for controlling airborne infective microorganisms in fan coil units

Real-time monitoring of indoor air quality

*WELS – Water Efficiency Labeling Scheme

^VOC – Volatile Organic Compounds

MERV – Minimum Efficiency Reporting Values

Smart Integrations

Fitted with advanced digital technology, Solitaire on Cecil features a seamless experience with enhanced security, safety and convenience throughout the offices and facilities in the 20-storey development.

Easy access to offices via the self-registration e-kiosk in the Basement Arrival Lobby and Level 1 Grand Arrival Lobby

Hassle-free access to facilities via community mobile app

Perform real-time monitoring of your office's indoor air quality anytime anywhere

Abundance of plug and play venues for formal meetings or after-work social events

Automated Building Management System (BMS) to improve efficiency and enhance users well-being

Well-provisioned power points allow easy transition to bring your meeting outdoors

Seamless transits via touchless sensor buttons and destination control lifts

A New Prestigious Landmark in the CBD

Solitaire on Cecil is a centrally-located Grade A office building that will refresh the city’s skyline and set the tone for the surrounding neighbourhood’s rejuvenation. No longer just a business district, CBD is evolving to become the ultimate base for the modern worker to live, work, and play.

THROUGH-BLOCK LINK

Bridging Business & Leisure

As part of Urban Redevelopment Authority's rejuvenation efforts in creating a pedestrian friendly neighbourhood, the through-block link is a fully sheltered walkway featuring a double

volume ceiling height of over 9 metres. It provides exceptional connectivity between Cecil Street and Stanley Street, with direct access to a plethora of F&B and entertainment options.

Artist's impression

A Grand Welcome

Greeted by a double volume ceiling of over 9 metres, the main lobby exudes a sense of space and sophistication. Bringing in a touch of luxury hospitality, a dedicated concierge takes care of any request efficiently and meticulously. The effortless transition

from public spaces to the private offices above is fitted with advanced technology, including a self-registration kiosk for visitors and touchless lift access. Indoor air quality monitors and UV air purifiers allow occupiers to enjoy fresh, clean air and enhances overall wellness.

Artist's Impression

Workplace of Tomorrow

Beyond the generous 13,000 sqft workspace, every level of Solitaire on Cecil is designed to put people and technology first. The 4.9 metre floor-to-floor height and large windows invite ample

natural light and ventilation into the workspace whilst the UV air purifiers provide high air quality, ensuring every employee's well-being is taken care of.

Thoughtfully designed spaces that foster collaboration.

Spacious meeting areas to hold formal business conferences with external partners and clients.

Flexible spaces allow for informal meetings and catch ups with the team.

Workplaces with ample natural light to improve mood and productivity.

Quality amenities and wellness provisions enable employees to work with a peace of mind.

PREMIUM OFFICES

Tailored & Versatile Spaces

Solitaire on Cecil is one of the rare few developments which offers high quality freehold strata office spaces in the CBD. With the government's restriction of strata sub-division within the Central Region, future supply of prime strata offices will be limited and increasingly hard to come by.

Designed for maximum flexibility and dynamic spatial planning, the regular floor plate of 13,000 sqft allows for an efficient subdivision for more collaborative idea generation and office interactions. Each unit comes equipped with provisions for your office's own sanitary and pantry fit out.

SOLITAIRE WELLNESS CLUB

Balance Your Mind & Heal Your Soul

Sustainable and lush biophilic gardens swathe the 27,000 sqft of wellness and collaborative spaces. The Relaxation Deck and Social Deck feature comfortable seating and the Outdoor Movie Screen at the Entertainment Square presents opportunities for leisure activities. Work Pods and the Multi-Function Room are

surrounded by verdant greenery and fitted with the necessary power provisions. Complete with a 7-metre high Grand Water Wall, the Leafy Pods, Garden Hideout and Chill Out Deck are perfect for hosting informal discussions or engaging in quiet contemplation while the Yoga Lawn is made for open-air restoration.

SOLITAIRE WELLNESS CLUB

Energize Your Body

The Warm Up Court provides a spacious area to stretch out and prepare the body before the action begins. Catering to individual preferences and fitness levels, the Indoor Fitness Gym and Outdoor Parkour Gym are furnished with state-of-the-art equipment for energetic workouts and training sessions.

Artist's impression

SOLITAIRE SKY LOUNGE

Sky-High Perspective

Redefine work interactions at the Solitaire Sky Lounge and enjoy unobstructed views of Singapore's iconic cityscape. The pavillion is equipped with electrical outlets and a pantry to serve as an alternative workspace or host private social events such as investor meetings, company activities and after-work drinks.
