TECHPOINT

# HAVE A COMFORTABLE JOURNEY TO THE TOP

The local time now is nine in the morning.  
Your estimated arrival time is...

21 mins drive to Changi International Airport

7 mins drive to Heartland Mall

7 mins drive to Chomp Chomp Food Centre

4 mins drive to Pan-Island Expressway

5 mins drive to upcoming Paya Lebar Commercial Hub

7 mins drive to Serangoon Gardens eateries

5 mins drive to Kallang-Paya Lebar Expressway

2 mins drive to Bartley & Tai Seng MRT Stations

4 mins drive to nex & Serangoon MRT Interchange

15 mins drive to Central Business District

The weather looks good and with the tailwind on our side, we are expecting to arrive at our destination ahead of schedule.

# SECURE YOUR SEAT FOR TAKE OFF TO A SOPHISTICATED BUSINESS-1 ARENA

Every aspect of the development is purpose-built for Business-1 usage, which includes businesses that provide infocomm infrastructure, software applications and/or core media activities. Examples of allowable uses as defined by the Urban Redevelopment Authority are:

## TELECOMMUNICATIONS INFRASTRUCTURE

- Telecommunications/Wireless Communication: Provide voice/data communication services such as data/information transmission, electronic message sending, voice calls and broadcasting services.
- Data Farm (Data Network + Data Storage): Activities related to database storage, updating and access, including data entry services, data processing, assembly and formatting.
- Digital Call Centre: Virtual helpdesk, including information gathering and troubleshooting.
- Internet Service Provider: Provide access to internet and other related services, e.g. hosting, website building, etc.

## SOFTWARE DEVELOPERS

- Provision of Infrastructure and Management: Software design, network integration & customisation and maintenance.
- E-logistics: Network integrator, providing platform to fulfill digital deliveries or transactions.

## SERVICE PROVIDERS

- Application Service Provider: Provide software application outsourcing services. Sometimes can include web hosting services.
- Media Library (Electronic Publishing): Data storage and updating, software development & configuration, network operations for database accessing.

## CORE MEDIA ACTIVITIES

- Technical Training: Training and development e.g. digital media, cinematography, lighting and sound.
- Creative Post-Production Services: Digital video effects, rendering and animation, graphics and sound editing.

**SIT BACK, RELAX**  
AND ENJOY THE RISE TO  
**CORPORATE PROMINENCE**

Whatever your choice of refreshment, it is all right here  
where work and play have been seamlessly integrated to  
bring you the highest mileage in work-life balance.

# A WIDE SELECTION OF ONBOARD ENTERTAINMENT WILL BEGIN SHORTLY

---

Take a break from a hard day's work and step up to the tranquil Sky Terrace where an array of lifestyle facilities offers a relaxing ambience to unwind from the hectic frenzy.

---

Start your day afresh with an invigorating splash in the 30m Swimming Pool, and end a sedentary day with a stretch at the Gymnasium. Recharge for the race ahead with a refreshing lunchtime soak in the Jacuzzi, or replenish your energy at the Staff Canteen.

Please refer to specifications for unit provisions.

# SUPERB VIEWS

WILL BE AVAILABLE  
DURING ASCEND IF WEATHER PERMITS

The stunning Sky Terrace offers an all-in-one venue to foster team-building, increase networking opportunities, hold corporate events and entertain clients without any hassle.

LIM TECK BOO ROAD

NEW INDUSTRIAL ROAD

All perspectives and images in the brochure are only artist's impressions. Please refer to specifications for unit provisions.

**AMENITIES**

- A Jacuzzi
  - B Swimming Pool
  - C Pool Deck
- D Gymnasium
  - E Male Changing Room
  - F Female Changing Room
- G Unisex Steam Room
  - H BBQ Area
  - I Open Sided Pavilions

Artist's Impression  
All perspectives and images in the brochure are only  
artist's impressions. Please refer to specifications for unit provisions.

**OPTIONAL DUAL-FUNCTION LAYOUT**

- Some units allow layout options that segregate a unit into different work zones
- Individual entrances to each zone
- Offers the most conducive environment for each business component without disrupting office, production or storage needs

**HIGH CEILING**

- Floor-to-floor height of approximately 6.15m to 7.35m
- Optimum for effortless expansion of your business

**CONVENIENT PARKING**

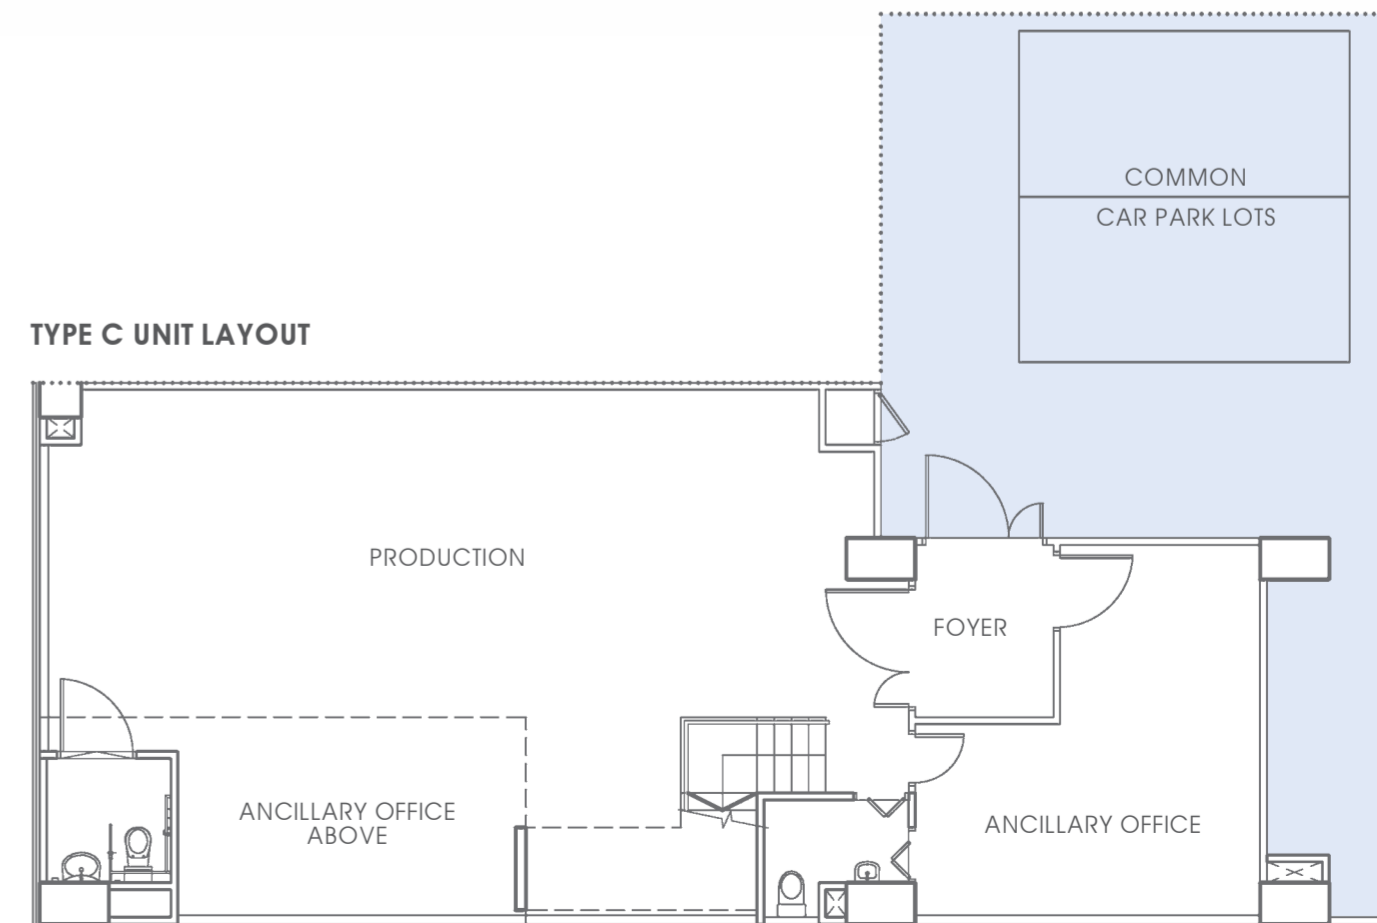

- Ample parking lots are available at the 4th storey carpark

**ATTACHED WASHROOMS**

- Each unit incorporates 2 or 3 attached washrooms for added convenience
- One of the washrooms comes with a hand shower
- Imported sanitary wares from Duravit and Gessi

**TYPE C UNIT LAYOUT**

# EXPECT NO TURBULENCE AHEAD WITH OUR HIGHLY ADVANCED SYSTEM

Impression Only

#### AUTOMATION SYSTEM

- All units come equipped with base work provision (Digital Box) to facilitate installation of the highly-regarded JUNG European Installation Bus (EIB) intelligent automation systems
- Control and monitor your unit's air-conditions, lights and motorised blinds at the touch of one button
- Access the system through wireless Internet integration on smartphone and tablet applications even when out of the building
- Select and purchase your preferred EIB brand, switch design, wiring configuration and circuit installation to customise the number of air-conditions, lights and blinds you can control

#### 10TH STOREY UNITS WITH POOL VIEW AND SECURITY ALARM SYSTEM

- The 10th storey units open out directly to a view of the Sky Terrace's lush landscape, shimmering pool and panoramic skyline for an uplifting work environment
- Additional security alarm system to safeguard your privacy

## ROOF PLAN

All plans are subject to amendment approved by the building authorities. Floor area are approximate measurements and subject to final survey.

- 1. Foundation**  
Piles foundation.
- 2. Substructure & Superstructure**  
Reinforced concrete framework and/or prestressed concrete beams and slab.
- 3. Roof**  
Reinforced concrete framework and/or prestressed concrete beams and slab.
- 4. Floor Loading Capacities**

1st storey [production & ancillary office on same level]	= 10.0 kN/m <sup>2</sup>
1st storey [canteen]	= 10.0 kN/m <sup>2</sup>
1st storey mezzanine	= 5.0 kN/m <sup>2</sup>
2nd and 3rd storey [production & ancillary office on same level]	= 7.5 kN/m <sup>2</sup>
2nd and 3rd storey mezzanine	= 5.0 kN/m <sup>2</sup>
4th storey [car park]	= 2.5 kN/m <sup>2</sup>
5th to 8th storey [production & ancillary office on same level]	= 7.5 kN/m <sup>2</sup>
5th to 8th storey mezzanine	= 5.0 kN/m <sup>2</sup>
9th storey [production]	= 7.5 kN/m <sup>2</sup>
10th storey [ancillary office]	= 5.0 kN/m <sup>2</sup>
Flat roof (maintenance access only)	= 2.5 kN/m <sup>2</sup>
All ramps	= 5.0 kN/m <sup>2</sup>

*Note: There is no provision for additional structural loading capacities over the void area in the unit.*
- 5. Structure Floor to Floor Height**

1st storey [inclusive of mezzanine]	= 6.30 - 7.35m approximately (varies)
1st storey mezzanine	= 3.15m approximately
2nd and 3rd storey [inclusive of mezzanine]	= 6.30m approximately
2nd and 3rd storey mezzanine	= 3.15m approximately
4th storey carpark	= 3.15m approximately
5th to 8th storey [inclusive of mezzanine]	= 6.30m approximately
5th to 8th storey mezzanine	= 3.15m approximately
9th storey	= 3.15m approximately
10th storey	= 3.00m approximately

*Note: The headroom of certain area in the unit may be lower and varies due to the thickness of slab/drop panel/beam and M&E services if any.*
- 6. Recreational Facilities**  
Swimming Pool  
Jacuzzi  
Pool Deck  
Gymnasium  
Unisex Steam Room  
Male Changing Room  
Female Changing Room  
BBQ Area  
Open Sided Pavilions  
Wireless Internet Connection provision at 10th storey Communal Area
- 7. Windows**  
**Aluminium framed fixed glass window to the following units:**  
#01-06, #01-07, #02-05, #02-06, #02-07, #03-05, #03-06, #03-07, #05-05, #05-06, #05-07, #06-05, #06-06, #06-07, #07-06, #07-07, #07-08, #07-09, #08-06, #08-07, #08-08, #08-09, #09-06, #09-07, #09-08, #09-09.  
*Note: Mechanical Ventilation will be provided for all the foyers, productions and ancillary offices. View from the unit may be partially obstructed by metal screen.*  
  
**Aluminium framed glass window to the following units:**  
#01-01, #01-02, #01-03, #01-04, #01-05, #02-01, #02-02, #02-03, #02-04, #03-01, #03-02, #03-03, #03-04, #05-01, #05-02, #05-03, #05-04, #06-01, #06-02, #06-03, #06-04, #07-01, #07-02, #07-03, #07-04, #07-05, #08-01, #08-02, #08-03, #08-04, #08-05, #09-01, #09-02, #09-03, #09-04, #09-05.  
*Note: Mechanical Ventilation will be provided for the foyers and ancillary offices with no windows. View from the unit may be partially obstructed by metal screen.*
- 8. Doors**  
Timber doors with selected quality lock set to the main door of the units.  
PVC doors with quality lock set to toilets.
- 9. Internal Walls**  
Cement and sand plaster and/or skim coat with paint finish to units.  
Tiles and/or cement and sand plaster and/or skim coat and/or spray textured coating with paint finish at lift lobbies.  
Tiles and/or cement and sand plaster with paint finish to toilets.
- 10. External Walls**  
Precast concrete panel and/or reinforced concrete and/or brick with cement and sand rendering and emulsion paint finish.
- 11. Ceilings**  
Skim coating with emulsion paint.
- 12. Floor Finishes**  
Concrete finished with floor hardener to production units and ancillary offices.  
Marble and/or Granite tiles finish to lift lobbies.  
Granite and/or ceramic and/or timber look-alike tiles and/or timber decking finish to 10th storey communal area.  
Ceramic tiles to toilet floor.
- 13. Lifts**  
2 sets of Passenger Lifts.  
2 sets of Cargo Lifts with maximum internal height of 2350mm.
- 14. Electrical**  
Lighting in common area.  
For all units three phase electricity power supply with 60 amperes will be provided.  
Exit emergency lighting are provided in accordance with authority requirement.
- 15. Telecommunication Services**  
Cable tray from MDF room to riser and common corridor.  
Telephone point is provided to each unit with block terminal.
- 16. Fire Protection**  
Provision of fire alarm system, automatic fire sprinkler system, hose-reel and dry risers (wherever applicable).
- 17. Sanitary & Plumbing Installation**  
Private toilets are provided in each unit. Each toilet comes complete with one WC and one Basin. Only one toilet has an extra provision of a hand shower.
- 18. Mechanical Ventilation**  
Provision of air-conditioning to passenger lift lobby.  
Mechanical ventilation for car park in accordance with authority requirement.  
Mechanical ventilation for toilets which are not naturally ventilated.
- 19. Communication System**  
Provision of Public Address System.
- 20. Lightning Protection**  
Lightning Protection system provided in accordance with Singapore Code of Practice.
- 21. Waterproofing**  
Waterproofing to floors of Staff Canteen, Toilets, 10th Storey Communal Area, Communal Planter, Swimming Pool and Reinforced Concrete Flat Roof.
- 22. Driveway and Car Park**  
Concrete finished with floor hardener.  
Maximum vehicle height of 2350mm is allowed in this development from 2nd storey onwards.  
Four loading-unloading bays are provided on 1st storey.

**Notes:**  
Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage in certain pieces of heat-strengthened glass. It is not possible to detect this defect prior to the breakage, which may occur in all heat-strengthened glass by all manufacturers. The Purchaser is recommended to take up home insurance covering glass breakage to cover this possible event.

All isolators for compressor units (subjected to air-con equipment configuration) will be provided by owners. Location of all electrical points and DB boxes are subjected to Architect's sole discretion and final design.

Telephone reception on mobile phones with the development is subject to the availability/provision of satellite/wireless coverage by the representative mobile telephone network service providers and is not within the purview/control of the Vendor.

No provision of Starhub Cable Vision Ltd (SCV).

**Tiles**  
Selected tile size and tile surface flatness cannot be perfect and are subjected to acceptable range described in Singapore Standard SS483:2000.

**Internet Access**  
If the Purchaser require Internet access, the Purchaser will have to make direct arrangement with the Internet Services Provider and/or such relevant entities/authorities for the Internet service to the Unit and to make all necessary payments to the Internet Services Provider and/or such relevant authorities.

**Wireless Internet Connection**  
Location of wireless Internet connection provision is designated and shall rely on the subscription of service by the management corporation with the relevant service provider.

**Warranties**  
Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser.

**Materials, Fittings, Equipment, Finishes, Installations and Appliances**  
The brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to Architect's selection, market availability and the sole discretion of the Vendor.

- Note:**
- a. All aluminium frames shall be powder coated finish.
  - b. All glazing shall be approximately 6mm thick.
  - c. All windows are either side-hung, top-hung, bottom-hung or sliding or any combination of the mentioned.
  - d. All glazing up to 1m from floor level shall be laminated glass.
  - e. Doors can be either of swing or sliding type with or without fixed glass panel.
  - f. All windows including toilet windows can be either frosted tinted or clear glass.

The ancillary staff canteen is approved on 2 years temporary permission.

If the owner wish to continue the use beyond the validity period of planning permission hereby granted for the ancillary staff canteen, he/she must submit an application to URA for extension of the planning permission two months before the expiry of this planning permission. Application received after the temporary planning permission has lapsed will be treated as a fresh application.

The units in the development shall be used only for the use as approved by the Competent Authority in the grant of Written Permission for the development and not for any other use or purpose. The use of the units shall not be changed to any other use unless with the prior permission of the Competent Authority.

The owner of each unit in the development shall not use the unit or allow the unit to be used for any purpose other than the use as approved by the Competent Authority.

There shall not be any weight bearing floor created within or over any void area/void areas using any type of building materials (including concrete, metal or wood) unless with the prior written approval of the Competent Authority under the Planning Act.

The open roof gardens/terraces are not to be enclosed or roofed over.

No structures or other uses are allowed on the rooftop unless otherwise approved by the Competent Authority.

No access to R.C. flat roof except for maintenance only.

For cyclical maintenance work to be carried out to the building façade, owners shall allow access to the maintenance team.

# THANK YOU FOR JET SETTING WITH NOVELTY GROUP, IT'S BEEN OUR PLEASURE SERVING YOU

Novelty Group - a name accompanied by design finesse and building innovation rarefied by quality that invites only approbation. Long established as one of the foremost luxury developer amongst an elite few in Asia, Novelty Group is one that continually pushes the boundaries of standard to deliver more distinctive, sustainable high-end residential living, within or outside of prominent districts. One that does not just stop at creating landmark masterpieces, it maintains momentum in revolutionising residential living to reach new levels of luxury. From its diverse collection of groundbreaking developments that defy trends, many are stylish and coveted icons that have attained unprecedented recognitions.

Apart from its property developments with multi-billion dollar turnover till date, Novelty Group is also a business entity that has made its mark in the Electronics, Hotel, Manufacturing, Construction and Trading sectors. It is set to become an important influence that benefits every individual's way of life.
